Letter from the Resident regarding employment of Col. McNeill Campbell and your endorsement of 20th inst. thereon.

I have written to Madras for Col. Campbell's home address, and on receipt of same will communicate to him Resident's letter and your instructions thereon.—

I think Col. Campbell means to return & join on 16th April next.

I expect I cannot remain on beyond the end of February. My health would not admit of, & I have already made preliminary arrangements to get home by end of March or so.

I presume the best plan will be to get Mr. McHutchin to act pending date of my departure till Col. Campbell joins. Unfortunately this will upset the proposed explanation by Mr. McHutchin of the Western Ghats for finding of a shorter & cheaper railway line down to the plains.

This leads me to ask whether the future Railway Secretariat work has engaged your attention. Whether Col. Campbell is willing ... able
